OPERATION

GAME THIEF

TEXAS' WILDLIFE CRIMESTOPPERS PROGRAM

YOU can make a difference!

Operation Game Thief is Texas' wildlife crime stoppers program, offering rewards of up to \$1,000 for information leading to the arrest and conviction of individuals who commit natural resource crimes.

Privately funded, the program is dependent on financial support from the public through memberships, donations, sponsorships and gifts.

Those who love wildlife and the outdoors, including responsible sports enthusiasts who hunt and fish, are conservationists who respect Texas wildlife. Poachers have no regard for the wildlife they steal. They are our worst enemy and should not be allowed to get away with it.

Help Texas Game Wardens put a stop to illegal outdoor activity!

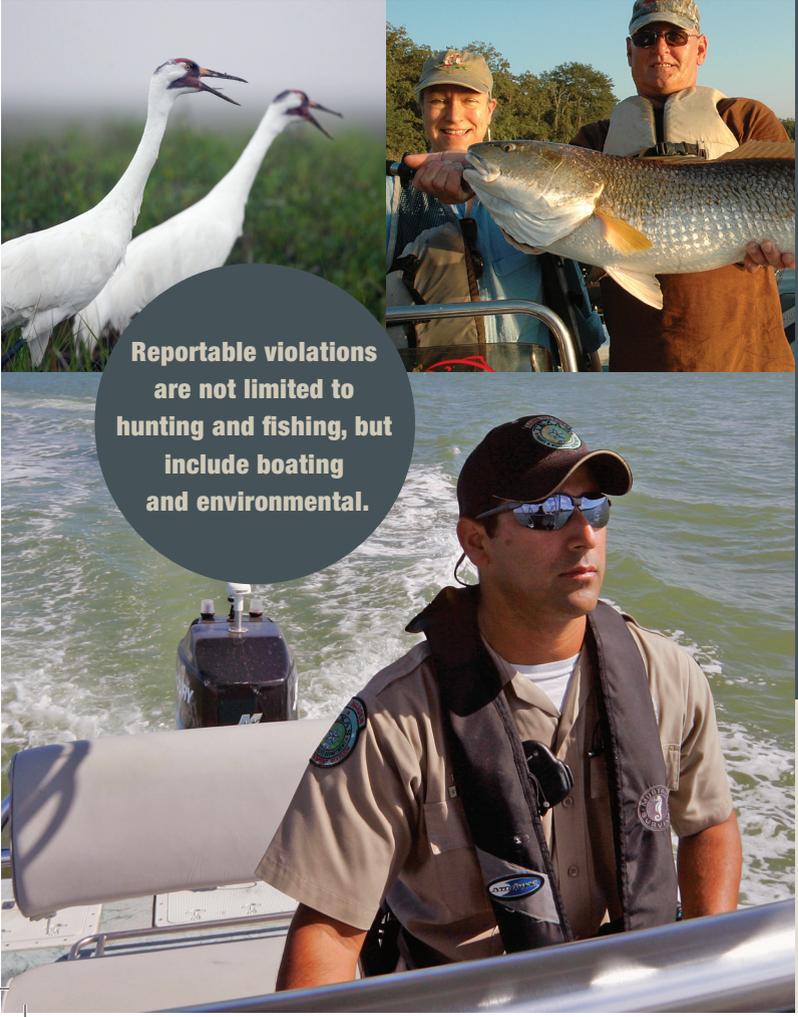

Alert observation by concerned citizens such as yourself, followed by immediate reporting of the suspected violation, gives the local Game Warden a much-needed edge in catching the bad guys. Operation Game Thief is the mechanism that allows you to get immediately involved and quickly get that information to the Warden. Receiving a tip on illegal activity while it is occurring can make a significant difference in whether or not the violator is apprehended. Remember, YOU can make a difference!

Report hunting, fishing, boating while intoxicated and pollution violations

Call 1-800-792-GAME (4263), 24-hours-a-day, and provide the following information to the Texas Parks and Wildlife Department Police Communications Officer:

- nature of the violation
- location of the violation
- name and description of the violator
- description of involved vehicle or boat
- any other information that would assist the Game Warden in apprehending the violator

If you wish to remain anonymous, a code number will be assigned to you. You are not obligated to provide your name.

Reportable violations are not limited to hunting and fishing, but include boating and environmental.

OPERATION GAME THIEF

Begun in 1981 as a result of laws passed by the 67th Texas Legislature to help curtail poaching, OGT has been responsible for the payment of over \$215,000 in rewards.

The reward hotline is staffed 24-hours-a-day, seven days a week. Over the life of the program, more than 40,000 calls have been received and over \$1 million in fines assessed.

To report a violation, call 1-800-792-GAME (4263).
Call immediately! The more information provided at the earliest opportunity will enhance the probability of an arrest and conviction.

Do your part to stop poachers. Join Operation Game Thief today.

Contributions to OGT assist Texas Game Wardens in our state's ongoing battle against poaching and crimes against natural resources. Your help supports the payment of rewards, and our mission of education and outreach. Engaging individuals and communities are critical to protecting our resources for future generations.
